1 Download grovr & sign up

Scan the QR code or search **grovr** in the App Store or Google Play. Tap **Join now** — it takes a minute.

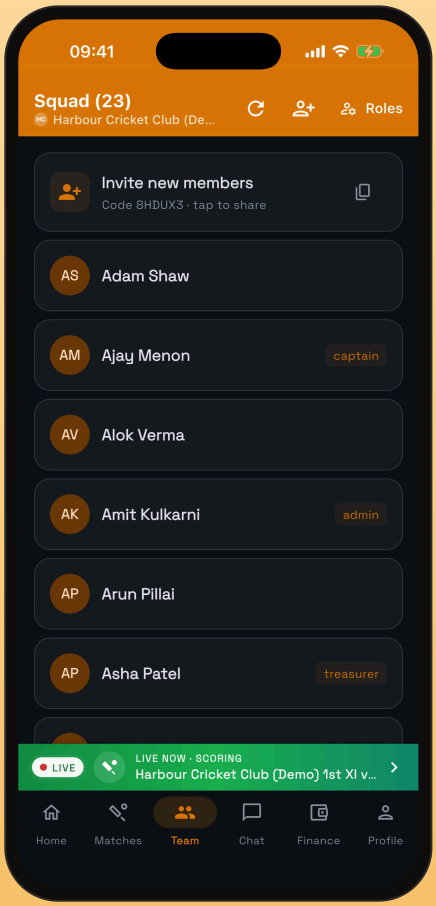

2 Create your club

Profile → Create a new club, choose **Sports club**, give it a name — e.g. *Harbour Cricket Club*.

3 Invite your players

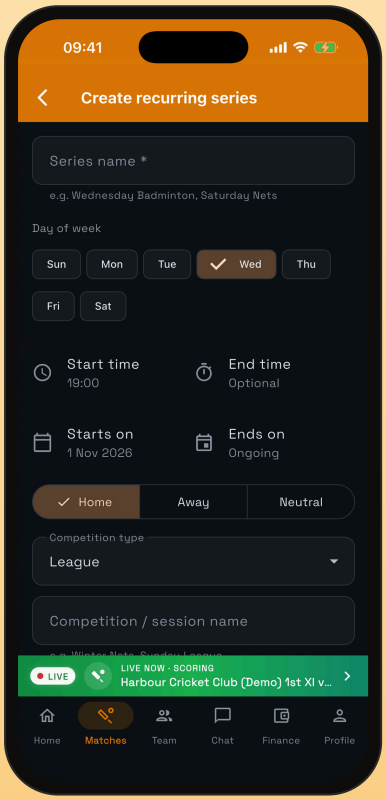

Tap **Invite new members** and share the code on WhatsApp. They download grovr, enter the code — done.

4

Add your weekly fixture

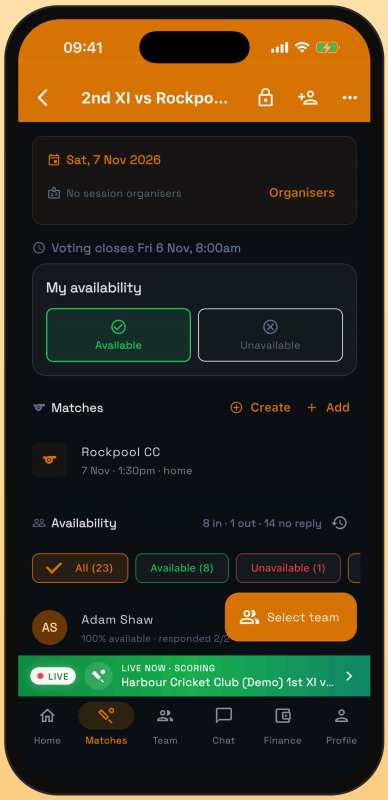

Matches → + → Recurring. Pick the day and time once — e.g. *Thursday Nets* — grovr adds every week for you.

5

Everyone taps In or Out

Players get a reminder and answer with one tap. You see who's coming — no more counting thumbs in the group chat.

WHEN YOU'RE READY

Score live — cricket ball by ball, badminton and racquet sports point by point

Collect fees — split the cost and mark who's paid

Tournaments & auctions — fixtures, points tables and a live player auction

Stream to YouTube — with the live score on screen

Stats & kit — everyone's stats, and who has the bats and shuttles
